

CHELTENHAM TOWN WHEELERS

Membership and Pay Monthly Coaching

ABOUT US

We are a small friendly club that aims to promote youth cycling in Cheltenham and the surrounding area by providing structured coaching and training sessions for under 16s in a fun, friendly and safe environment. We help young riders develop the skills and confidence needed to ride and race their bikes effectively and to enjoy the sport of cycling regardless of previous experience and ability. Our members range from early riders to teenagers, riding at regional competition level and everything in between.

OUR COACHING TEAM

Meet the team of dedicated, passionate, and energetic coaches who deliver our club sessions and inspire our young riders. All our coaches are qualified British Cycling Coaches and hold up to date First Aid certificates and DBS certificates.
